LOVE MANGA PRESENTS GUNNER CHAPTER 2

It's amazing how the most beautiful of
flowers bloom in the most unexpected places. I just had to
come to the end of the road to find the most beautiful place
ever. I'm a girl who loves to travel.

It's not just the beauty of the world that
attracts me. It's the beauty of the people who
live there.

It's not just the beauty of the world that
attracts me. It's the beauty of the people who
live there.

Port City Chun-Ho

Handing over that mountain in 4 days?

Impossible, it's impossible!

Not only is it steep it also has very rough terrain it'll take at least a week to pass that mountain

That's why everyone uses boats instead

The river here stretches all the way to out skirts of Handung

How much is it for a boat ride?

If you go to the port over there you'll see a ship with 3 sails

They charge 5 Yang to ride along but it'll take you to Handung in a day

Well, if you're poor you can always ask a merchant ship to give you a ride too

By the looks of it he's a bum...

I can't be delayed
here I guess
I have to ride
a boat...

Hey!
wait just
one moment!

If you grabbed a
busy merchant
shouldn't you
buy at least
a thing or
two?!

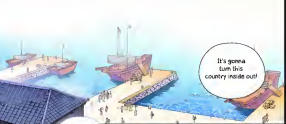

Thank you
for the offer
but it is of
no use to me

But I will
convey you my
sincerest
gratitude

Whoa?
That mongrel
after I taught
her all that stuff!

To Hansung?

If you pay for the travel fee you are welcome.

It may be uncomfortable & slow because it's a cargo ship

How much will it be?

2 Yang should be fine

Could you be a swordsman?

If that's the case I have a different proposition...

The River road to Hansung has become riddled with pirates.

So most ships heading to Hansung always hires mercenaries

.....

Do you see those folks?

They're mercenaries hired by our ship.

I'd feel much safer with even one more swordsman joining our cargo ship.

How about it? I won't take the travel fee but will you protect us against the pirates with that sword?

Hey You! Are you saying we're not enough?!

Ah...!

No that's not what I'm saying at all, this man wanted to ride along with us...

And he happens to be a swordsman so I just offered him a free passage...

So you say you can't trust us!

...!!

Here is
2 yang as
requested.

Ah,
it's ok you
don't have to...

I am not as low as
to accept money
to cut people down

This sword was
never meant
for that existence!

What?
You bastard
...!!

Are you saying
it so I can
hear it?!

Leave it.
You can ignore
guys like him.

But we
gotta give
that guy a good
beating for
saying that...

Leave him.
He's just
bluffing.

It actually
makes me
curious have

Let's see
if he can keep that pride
when he meets
a real pirate...!!

4 days
from now...!!

I can't believe
this type of chance
came around...
if I miss this chance
I don't know
when they'll hold
this test again..

I must pass
the Imperial Test
and become
a full fledged
Gunner!

Pirate!

It's a
pirate!

Captain!
Pirate ship
on the left side!

What?!

...!!

What...

It's just a
3 man crew...

Even if
they're
pirates
it's just
3 people.

I think we
can scare them off
without spilling
any blood.
If you show them
your crew.

They're
finally here
huh?

Alright.
Just leave it
to us.

Ku...

Kughh...?!

All of this Ships
Precious Cargo that is!!
